Dear Mr. Simmons:

Please refer to our notice of operations and your letter dated May 7, 1996.

We would like to widen the existing road from 11 feet to 11.5 feet. This would change the disturbed area for the road from 2.07 acres to 2.16 acres. Hence the total disturbed area will be:

2.16 acres for the existing road
.19 acres for road alignment change
2.62 acres for the pit area
4.97 acres of total disturbance

If you have any questions or need additional information please let us know and we will respond as quickly as possible.

Sincerely;

Neal J. Mortensen
